PROFESSIONAL SUMMARY

Frontend Developer with a strong foundation in HTML, CSS, JavaScript (ES6+) and hands-on experience in building interactive web applications. Graduate of The Web Developer Bootcamp (Udemy, 2025) with projects that combine modern UI, usability, and responsive design. Background in UX and Service Design brings a unique advantage: designing user-friendly, scalable, and visually engaging products. Skilled in Agile/Scrum collaboration, rapid prototyping, and cross-functional teamwork.

PROFESSIONAL EXPERIENCE

Independent Consultant — Independent Consultant in UX, Design & Digital Skills

Jan 2025 – Present · Remote (LATAM & Spain)

- Built web projects using HTML, CSS, JavaScript with a focus on interactivity and UI design.
- Designed user flows and prototypes in Figma, validated with usability testing.
- Applied Agile methodologies (Scrum, Kanban) to manage personal and client projects.
- Developed educational workshops on UX, prototyping, and digital tools.

Fruta Global – Proyecto Cúbico "Improve your Energy" — Service & Ux Designer

Mar 2023 – Jul 2023 · Spain

UX consultant in social innovation and sustainability.

- Designed and implemented co-creation methods with local communities and schools.
- Developed a service blueprint and measurement framework with sustainability KPIs.
- Led stakeholder workshops and aligned CSR goals with real user and environmental needs.

Continuum HQ — UX & Service Designer

Jan 2020 – Feb 2022 · Lima, Perú (LATAM)

Consulting agency for digital product and service design.

- Led research and design initiatives for clients in fintech, healthcare and education.
- Conducted usability testing and user interviews for companies like Spotify, BID, Clínica Alemana and UPC.
- Delivered actionable insights and service recommendations to improve conversion, usability and satisfaction.
- Collaborated with development and business teams to align product decisions with real user needs.

BetaLab Perú — Service Designer

Dec 2019 – Jul 2020 · Peru

UX consultancy focused on high-complexity public and private sector environments.

- Conducted strategic research to improve public-facing digital services
- Mapped current-state experiences and identified critical service gaps
- Facilitated cross-functional collaboration through workshops and research synthesis

EDUCATION & CERTIFICATIONS

T.S.U. in Advertising — Instituto Universitario de Tecnología, Venezuela

2012 – 2015
